First and foremost I'd like to thank God, without whom I would be nothing. Thank you to my brothers of Take 6 who've been on this journey with me for over 30 years! Next, to the friends and family members who've supported us for our entire career. Much love to you all. Lastly... Mom.. This is our first project that you aren't physically around for, but I know and feel your spirit always! I personally dedicate this project to you. Love ya.

Heavenly Father, Your love is matchless, Your grace is abundant, Your mercy is unending, and I write these words as a reflection of my heart of gratitude to You. My heart is flooded with good because You live in there. Thank you for being my Lord. No one sits on the throne of my heart but You, and because you sit there, I have an abundantly bountiful life. I want to thank my wife Adrian for your incredible love. The way you have impacted my life is beautiful, and I love you forever. To my son CMD (Christian Michael Dentley), I love you more than you could ever dream. You are a reflection of me, and you're going to be greater than I could ever dream. Thank you to my parents for your love and guidance. To Greg, Kelley, Jamal, and Jakayla, you guys are the best siblings ever. To all my super supportive family and friends, I love you and thank you for always being there. Mark, Joey, Claude, Dave, and Vin. When God gave me you, he gave me 5 brothers forever. I love you guys! Jarrett, you are CLUTCH my friend, and I thank you for being a part of this team as well. Finally, to all the fans. I pray this music somehow is a reflection of the joy in my heart, and that it makes you inquire and pursue a deeper relationship with Jesus Christ, Who is the Light of my smile.

Love you guys!

Christian Dentley
